

Biosec Solutions Limited operates www.biosec.com.ng and its company-affiliated Solutions and Services.

This page is used to inform website visitors regarding our policies, processes and procedures regarding the collection, use, and disclosure of Personal Data. If anyone decides to use our Services, the Biosec Solutions website and its affiliated Solutions and Services, they are expected to comply fully with the terms within this Privacy Policy document.

If you choose to use our Solutions and Services, then you agree to the collection and use of information in relation with this Policy. The Personal Data that we collect is used for providing and improving the Solutions and Services we render. We will not use or share your information with anyone except as described in this Privacy Policy.

1. Information Collection and Use

For a better experience while using our Solutions and Services, we may require you to provide us with certain personally identifiable data, including but not limited to your name, email address, phone number, and postal address when you create an account with us, request for further information about our product, and fill a form. The information that we collect will be used to contact or identify you, improve our site user interface, optimize sales and marketing content, respond to your purchase orders or requests, process your application for employment with Biosec or to fulfill our contractual obligations with you. We may also process your Personal Data to comply with provisions of applicable laws.

We would like to inform you that whenever you visit our Services, we collect information that your device sends to us that is called Log Data. This Log Data may include information such as your device name, device's Internet Protocol ("IP") address, browser version, operating system version, app/browser configuration when using our Services, pages of our Services that you visit, the time and date of your visit, the time spent on those pages, and other statistics. We then link this automatically collected data to other information we collect about our website visitors, this helps us to understand our customer interests and improve our website. The maximum time your data will be stored is 24 months.

2. Cookies

Our website and products use "cookies" to collect information, personalise content and ads, and to improve our Solutions and Services. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you have provided to them or that they have collected from your use of their services.

Cookies are small text files that can be used by websites to make user's experience more efficient.

By visiting and using our website, you agree to our use of cookies in line with Biosec's policies. For more details about Cookies, please read our Cookies Policy available through this link www.biosec.com.ng/cookiespolicy

3. Third-Party Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Solutions and Services;
- To provide the Solutions and Services on our behalf;
- To perform Service-related activities; or
- To assist us in analysing how our Solutions and Services are used.

We respect your privacy and we limit disclosure of your Personal Data to third parties. We do not sell, give or trade any Personal Data that We obtain from you to any third party for data-mining or marketing purposes. However, We may share your Personal Data with companies within the Biosec, service providers engaged by us to provide services to Biosec subject to appropriate data security and protection.

In addition, We may transfer your Personal Data out of Nigeria in line with the requirements of the Nigeria Data Protection Regulation, 2019. We may also share your information where there is a regulatory or statutory obligation to disclose such Personal Data in accordance with provisions of applicable laws.

We want to inform our Service users that these third parties may have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

4. Transferring Data Internationally

We may transfer your personal data we have collected from you to a third party data processor located in countries outside Nigeria and the European Economic Area. We will comply with the Nigerian Data Protection Regulation 2019 (NDPR) and the General Data Protection Regulation (GDPR) in respect of such transfers. Please be aware that such countries may not possess the same level of data protection as Nigeria; however, our collection, storage, and use of your personal data will continue to be governed by this Privacy policy.

5. Security

The security of your personal information is important to us. We follow generally accepted industry standards to protect your personal data both during transmission and when it is received. We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

6. Links to Other Sites

Our Services may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over, and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

7. Your Rights

Biosec collects Personal Data only for the purposes identified in this Policy and such information cannot be reused for another purpose that is incompatible with the original purpose.

∴ We would like to ensure that you are aware of all your data protection rights. Every user is entitled to the following:

- **The right to access:** You have the right to request Our Company for copies of your personal data. We may where applicable charge a fee for this service.
- **Withdrawal:** You have the right to withdraw your consent at any time.
- You have the right to be informed of and entitled to provide consent prior to the processing of personal data for purposes other than that for which the Personal data was collected.
- **The right to rectify your information stored with our company:** You have the right to request that Our Company correct any information you believe is inaccurate or incomplete.
- **Erasure:** You have the right to request that Our Company erase your personal data, under certain conditions
- **The right to restrict processing:** You have the right to object to Our Company processing of your personal data, subject to certain conditions.
- **The Right to data portability:** You have the right to request that we transfer your data collected to another organization or directly to you, subject to certain conditions.

If you make a request for any of the above listed rights, we have one (1) month to respond to you. If you would like to exercise any of these rights please contact our Data Protection Officer using this email: dpo@biosec.com.ng

8. Minors Policy

Verification services of minors under 16 years of age requires the full and total consent of their parents or guardians whose National Identification Number (NIN) is attached to the profile of the minor to verify their personal data.

9. Acceptance of and Revisions to Privacy Policy

By using this site or any of our Solutions or Services, you signify your assent to our Privacy Policy. If you do not agree with this Privacy Policy, you are advised to not use our site or Solutions or Services. We reserve the right to amend this Privacy Policy at any time, for any reason, without notice to you, other than the posting of the amended Privacy Policy on this Site. When changes to this Privacy Policy will be posted, the date at the top of this Privacy Policy will be revised. We recommend checking the website from time to time to inform yourself of any changes in this Privacy Policy or any of other policies. The provisions contained herein supersede all previous notices or policies regarding our privacy practices that govern the use of this Site.

10. Disclaimer

The website is solely for verification purposes by individuals and organizations therefore users are precluded from storing or aggregating personal data or information provided for them in the course of using our Solutions and Services.

Contact Us
